2-Car Crash Injures Local Girl

JAWS OF LIFE was again used by the Voluntary Fire Dept. to assist in removing an accident victim from this car involved in last week's accident on the south I-75 business loop. (Joe Schrader photo)

by Joe Schrader

A 2-car crash on the south I-75 business loop seriously injured a 17-year old Grayling girl and is still under investigation by local police officials.

The collision which occurred last Wednesday afternoon at about 3:30 p.m. hospitalized the driver of one of the vehicles, Julia Helsel and two other passengers in her car, Karen Burke and Debbie Helsel, were treated and released at Mercy Hospital.

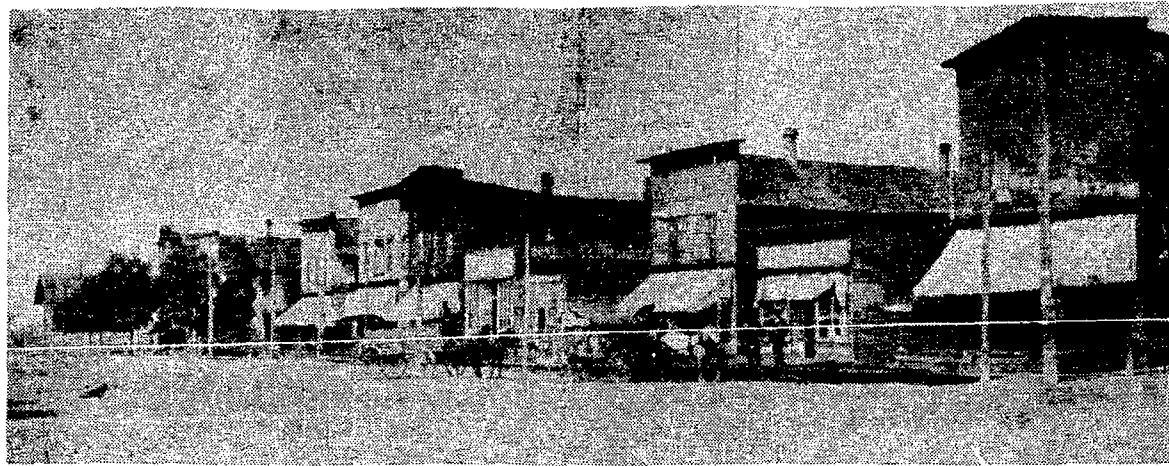

Lovell's Hook & Trigger Club

The Lovell's Hook & Trigger Club is having its regular monthly meeting at 7 p.m. at the Town Hall. It's an Ice Cream Social, 75¢ for the works.

Martin Nieniemon of Houghton Lake was driving the other car and circumstances surrounding the accident are still being examined.

According to a city police department spokesman, a number of accidents have occurred in that particular area and plan to ask for a "Script search" covering the accident incident and both city police and sheriff's dept. reports will be taken into consideration during its study.

Camp Grayling—Butcher, baker, maybe even a few candlestick makers.

They're all here at Camp Grayling attending annual training.

A goodly-sized contingent of Ohio Army National Guard members, some 3,200 in all, have hit this sprawling military post for training which started last Saturday that will wind-up Aug. 11.

You can bet, based on previous training here:

•the average Ohio trooper will hope to avoid the infamous cold weather that somehow makes summer here an interesting experience.

•he or she will learn more about the military job assigned to him or her on a part-time basis.

•some visits will be made to downtown Grayling and a few bucks will be spent.

Tank cannons will roar, armored personnel carriers will rumble in the dust, and troops will scurry on night maneuvers during the

Solving Discipline Problem Faces School Administration

by Don Geiss

The number one priority in the Crawford AuSable Schools during the next year will be to solve the discipline problem identified as a result of the recently completed community survey.

According to school Supt. William Diedrich, one problem came about as a result of the establishment of a mass study hall which accommodates 150 students. He said that the

situation stems from the fact that only one teacher is available to handle all of the students.

If the millage passes on Aug. 13, plans call for a revision of the school's instructional schedule to eliminate the mass study hall, Diedrich said. The number of periods will be reduced in the daily schedule from seven to six and these will be of longer duration to provide more time to cover each lesson, he commented.

To permit the reduced number of periods but still teach the same number of subjects, it will be necessary to add three teachers, Diedrich commented. This will be the only addition to the budget aside from the cost of inflation, he said.

Diedrich noted that the mass study hall will be eliminated in the process but those students who need additional study time in particular courses will be assigned to a regular small group study hall.

"Many vital projects during the above dates and all persons are warned to stay out of the range areas.

were begun last year," Diedrich said, "but in order to complete them in the coming year, it is essential that we maintain the existing instructional program." A complete revision of the reading program was begun with the development of a series

It's News Here!

13-Year Old Girl Drowns in Motel Pool

by Joe Schrader

A thirteen-year old Detroit girl drowned in a tragic incident while swimming in the pool at the Holiday Inn here in Grayling this past Saturday night. According to a Sheriff's Dept. spokesman, Felicia Gaddy apparently wandered from the shallow to the deep end of the pool and drowned there even though a number of pool-siders were on hand, including members of her family.

She was found on the bottom of the pool in about eight feet of water, and despite C.P.R. efforts and revival attempts by the Grayling Volunteer Ambulance Corps, she was pronounced dead at Grayling's Mercy Hospital shortly after 8:00 p.m.

The girl was visiting the Grayling area with her parents, whose stepfather is associated with the Michigan National Guard.

River Boats on Parade Aug. 18

Slipping silently through the wooded AuSable corridor, the sleek longboat seems as much a part of the riverscape as the drifting sweepers bobbing gracefully in the current. The scene calls to mind the history of the area, the magnificent cork pine forest, the once-abundant Grayling and the rugged individuals that guided these waters.

The seventh annual River Boat Regatta commemorates this history by calling together all seaworthy longboats for a floating parade down the mainstream. The public is invited to enjoy this event which will be held Saturday, August 18, 1979, beginning at 10:00 A.M. at Edgewater on the AuSable resort.

Firemen Answer 2 Weekend Calls

by Joe Schrader

A Friday night fire heavily damaged the residence of Edna Anderson on Old Lake Rd., the call coming in to firemen at shortly before midnight. The cause of the fire is still under investigation according to Fire Chief Joe White, and the State Fire Marshall has been called in to assist.

The volunteer fire group responded to a second weekend call shortly before noon on Sunday morning to the Russell Mudge residence on Crawford Road where a chair was discovered burning. Only minor smoke damage occurred elsewhere in the residence.

Downtown Vandalism & B & E's Reported

by Joe Schrader

The City Police Dept. is investigating a number of acts of malicious destruction which occurred in the downtown area over the past weekend along with three breaking & enterings which took place sometime on Thursday of last week.

According to Chief Pete Stephan, windows were broken at Davis Jewelry and Olson's downtown and at the Bob Bovec residence on Ingham St. and the Kibbe residence on Peninsular.

The B & E's occurred at the Moose Lodge, Moore's Automotive and the Eagle's Club. Stephan said that some of the stolen property has been recovered and evidence in the incidents is being collected.

Open House

On Saturday August 4, the family of Howard and Eloise Schmidt will hold an open house at 8 p.m. at the American Legion Hall in honor of their 30th wedding anniversary. Relatives, neighbors and friends are invited to celebrate their anniversary with them.

Mt. Hope Milltown Bazaar

Mt. Hope Lutheran Church is holding its 5th Annual Milltown Bazaar and Ice Cream Social August 10, 12-9 p.m. and August 11, 10-6 p.m., at the Church on the corner of Spruce and Vine Streets.

The annual event has been a unifying force in the membership as the Mt. Hope women work toward profits sent to the Lutheran School for the Deaf in Detroit.

The Bazaar features hand-crafted items for the home and gift giving: dried flower arrangements, woods, fabrics, ceramics and macrame.

Also featured in the Bazaar are the Mt. Hope Women's Guild cookbooks and a bake sale.

Highlighting the Friday evening Bazaar, August 10, will be the Ice Cream Social, 7-9 p.m. Vanilla ice cream will be made at the door and be accompanied by freshly baked goods.

Monday Night Golf League

Just a reminder to the Monday night golfers that next Monday, August 6, is steak night.

In play on Monday, July 30, the most improved games were Bonnie Donnelly, Lynn Thompson, and Aggie Trudgeon. The low score went to Ricki Stahl with a 51 and low putts to a first year golfer, Sylvia Munshaw, with 15 putts and a chip-in on number 1. Prizes for the fun holes went to Ricki Stahl for low and Jackie Norman for high. A special prize for the middle score went to Maxine Diedrich.

SISTER MARY HILDA, R.S.M., Mercy Hospital Administrator is shown here receiving a \$14,000 check which represents the first installment in the Hospital Auxiliary's commitment to expansion and improvement at the medical facility, now underway. Next to Sister on the right is out-going president Margaret Lesinski, while watching on are Harriet Rybicki [right], newly-elected president and on the left, Gladys McKnight, treasurer. by Fay Bovee

Mr. & Mrs. Gary Christensen, (nee Diane Latuszek) are the proud parents of a son, Ryan Michael born July 11, 1979 at Wm. Beaumont Hospital in Royal Oak. He weighed 7 pounds. Grandparents are Mr. and Mrs. Eugene Christensen of Troy, and Mrs. Muriel Latuszek of Grayling.

Mr. and Mrs. John Michalek and grandson Robert Martin of Perry, were visitors over the weekend of Mrs. Everton Williams.

Bill and Pauline Swanson of Rockford, Illinois visited Les and Dena Hunter last week.

Libby Kipp of Boston, Mass., spent four days here recently visiting her father, A.W. Kipp. From here she went to Cleveland to visit her mother, Mrs. Mary Kipp.

Bernon and Lois Morningstar, of California, are spending the summer in Grayling.

Barney and Zina Vallad of Florida are making their home in Grayling for the summer.

The David Sabins purchased the Lary Gust home on Michigan Avenue and moved in last weekend. The Gusts are making their home on Jones Lake Road temporarily.

Elmer and Pat Dunham of Lansing and their grandsons, Craig

Jennings of Mt. Morris, and Steven Wirtjes of Salem, visited her sister and husband, Bill and Dorothy McLeod, for ten days.

The Dale Pettengill family are readying for their annual summer reunion. Arriving will be Jane Pettengill of Roseville, Dale and Janice Pettengill and son, Allen, of East Lansing, who will spend a week, and Paul and Priscilla Pyle and twins, Dede and Nikki of Kalamazoo, who are spending some time at their cottage at Lake Margrethe.

Nick and Evelyn Shuraleff are walking much younger these days after visiting their first grandchild, Nicholas Shuraleff III, in Minneapolis, Minn. for two weeks. The new arrival is the son of Nicholas and Mary Shuraleff and arrived on June 8, 1979. Also visiting in Minneapolis was a daughter, Christine, from Oregon.

Bruce and Cecil Benson and Ann were hosts to her family for a week-long family reunion. All of her brothers and sisters were able to be here, at least for a couple of days, to join in the visiting. Here for the reunion were Dorothy Ringler and family of Niles, Mary Stokes and family of Tulsa, Okla., Warren Armstrong and wife and grandchildren of Albuquerque, N.Mex., Verna Brill and family of

Lawton, Okla., Dick Armstrong, wife, and family of Niles, Pauline Garrett, of Benton, Ark., Ellen Kubiak and husband and family of Niles and John Armstrong of San Diego, Cal.

Guests of Jack and Pam Hull for a couple of days were their sister-in-law, Brenda Hull of Lansing, and her aunt and uncle of London, England. They had spent a week in Lansing with Bob and Brenda Hull and also a week in Canada before coming here.

From Our Corner ...

In case you are interested...we thought we might mention that there are only 32 days until Labor Day...and only 35 days left for the beginning of School...that is if the millage passes...

Personally we dislike thinking about it...it is hard to believe summer of '79 is slipping away so fast...it won't be long until people will be saying, I had 20 below, what did you have...just thought we would mention this fact...

What a crummy way to start a column... Fact is there are a couple things we wish to mention but just can't seem to come up with how to start this turkey tonight.

Since last week with the 2-car crash on I-75 Business Loop South, it seems to us there has been a bundle of accidents on this strip...something has to be done...don't ask us for an answer...we don't know...

But, we do believe, the state and city should get together and figure out some solution...could be new speed limits, and enforce it...or a number of caution lights...

We understand our law enforcement agencies are putting some sort of study together, to try and figure out just what the cause of these accidents are... Something should be done before it is renamed I-75 Suicide Strip, South...

Joyce Easterly brought the following to our attention a couple weeks ago...seems as how Tom Robertson of Robertson's Greenhouse donated all the flowers around the County Building, and that Sandra Franz donated the flag that flies out in front. It is by information as this we have the chance to acknowledged people who go unnoticed...so a tip of the derby to you two for your generosity...

There appears a little squib to the editor in this week's issue that we hope was not meant to be facetious...small town papers carry many varieties of news for the home town, that metropolitan papers ignore...our consolation is that the Avalanche must be read page by page...

The Buckeyes are back...we found that out last Friday when SFC Bob DeVoe, Editor of the Buckeye Guard magazine arrived with the advanced group and made his appearance at the Avalanche to see if everything was in readiness for his crew to put out another 2-page section next week of Ohio's Guard in action as they did last year...

We don't know what SFC means, so we will call him Sarge, there is one thing...the Ohio National Guard does not have to worry about any PR while he is aboard...watch next week's issue for he and his team's efforts they put out in just 2 weeks up here in God's country...

We haven't heard recently from Jack Witter, Public Relations Director, Mercy Hospital, and head man of the Radio-Auction to find out if our downtown philanthropists had come up with the extra \$42.50 each, for the good of the expansion of the hospital, and to try and humiliate your favorite editor...in case our 2 dead-beats didn't receive a Campaign report from Jack, let us excerpt a few lines...

Jack states:
Therefore, he's not sure the right man (or men) is the recipient of this gift. As he seems to see it, his "friends" should either float a loan to finance his bail, or take some goods to a pawn shop. He doesn't want Sheriff Haas insulted by the small amount paid for the item so thoughtfully donated to the Mercy Hospital Radio Auction. In any case, the Mercy Hospital Auxiliary will be pleased to hold and invest any additional monies generated by Whitey's negotiations.

In case you didn't notice our absence last weekend we wish to relate...the ole fella and his bride attended a Scandinavian reunion in Traverse Saturday afternoon and evening...so seeing we were that close to you know who...we spent the weekend with T.J. and Stef, their folks were there too, along with the pony...haven't heard from Nevada lately...so can't tell you how Amber is doing...

Have a nice weekend...there is a big one coming up for Grayling...plan on taking in the Milltown Festival, it runs from Aug. 1st to 5th...lots of a things to do for young and old...and in between...smile, it doesn't hurt a bit...

Lightning recently struck into one of the ponds of the Grayling Fish Hatchery and killed a number of large brook trout. Supt. Zalsman says that the stroke killed outright ten trout, and within a week 15 more died from the effect of the burns. Those that weren't killed instantly lingered several days during which time the skin became discolored and finally to white. Mr. Zalsman says that in all his 40 years work in fish hatcheries that this is the first time that he ever knew of lightning striking into a trout pond in Michigan.

The Bible Speaks

From Calvary Baptist Church

Paul's Perfect Gospel
Confirmed by
Jerusalem Church

Acts 15:1-35

The dispute over a pure gospel of grace did not end just because Paul went to Jerusalem and found the leaders of the church, Pater, James and John in perfect harmony with him. The "false brethren" of Galatians 2:4 "who came in to spy out our liberty which we have in Christ Jesus..." did not cease their disruption just because the church leaders disagreed with them. But, rather, they continued to teach "Except ye be circumcised after the manner of Moses, ye cannot be saved." Acts 15:1.

Paul and Barnabas got into a big fight with them over their perverted gospel, and they all agreed to go to Jerusalem to discuss the matter at a church council. Acts 15:2. They were all received at Jerusalem by the church and her leaders, and began to give testimony of God's work. Acts 15:4. Almost immediately the false brethren challenged them: "But there rose up certain of the sect of the Pharisees which believed, saying, That it was needful to circumcise them, and to command them to keep the law of Moses." Acts 15:5.

As the council convened, Peter gave testimony of God saving the Gentiles, Acts 15:7 through the gospel, by the witness of the Holy Spirit, Acts 15:8; purifying their hearts by faith, Acts 15:9; apart from the yoke of the law, Acts 15:10. Peter concluded that Jews and Gentiles are alike saved by grace: "But we believe that

through the grace of the Lord Jesus Christ we shall be saved, even as they." Acts 15:11.

After Peter had spoken, Paul and Barnabas were given a chance to testify, Acts 15:12. Following that, the senior pastor James took the floor and added a few choice comments in support of the gospel of grace. Acts 15:13-21. The church and her leaders approved this decision, Acts 15:22. Letters were then drafted to the Gentile churches to separate law and grace in the gospel of Christ, Acts 15:23-29. Their sentence was against the false brethren who preached law alongside of grace: "Forasmuch as we have heard, that certain which went out from us have troubled you with words, subverting your souls, saying, Ye must be circumcised, and keep the law: to whom we gave no such commandment." Acts 15:24.

The summary testimony of the Jerusalem Church Council was the same as the earlier testimony of the combined apostles, that the gospel of grace in the finished work of our Lord Jesus Christ is sufficient for the salvation of any soul without any human merit or works.

My friend, there are still false brethren walking the streets of Grayling, who will say "Ye must keep the law" by good works or you will lose your salvation of grace. These are still false brethren who "have troubled you with words, subverting your souls." Trust in the Grace of God alone, and give up your works of righteousness to be saved. (adv.)

State Increases Security At Freeway Rest Areas

A variety of measures to increase security at Michigan's 74 freeway rest areas and travel information centers has been authorized by the Michigan Department of Transportation (MDOT). "Some, we will implement immediately; others will take more time," said John P. Woodford, state transportation director.

"For example, we are formally requesting, immediately, increased patrols and surveillance of rest areas by State Police and also county sheriffs where applicable," Woodford said.

Increased patrols and surveillance was one of five recommendations proposed by a committee comprised of State Police and Transportation Department personnel assigned to evaluate existing security at the state's freeway rest areas.

The evaluation was prompted by increasing evidence of illicit activities at a few of the rest areas, and also the fatal stabbing of a woman visitor to a rest area on Interstate 74 Freeway near Gaylord in May.

The slaying was the first fatal assault in the history of Michigan's rest area system, Woodford noted.

"As tragic and senseless as this one incident was, we must keep it in perspective when seeking solutions to general security at rest areas," Woodford added. "Michigan's rest areas serve more than 30 million visitors a year and this was the first incident of its kind we've ever had."

Increased State Police and county sheriff patrols and surveillance will be only one measure to increase the level of security.

Other security proposals include:

- Installation of emergency telephone con-

nections from restroom interiors, directly to the nearest law enforcement agency.

- Installation of additional lighting.

- Posting of signs, advising motorists of security measure.

- Installation of surveillance devices which comply with legal restrictions and requirements.

Woodford said another area for improved security at rest areas involves upgrading rules and regulations to carry the force of law governing public use of rest area facilities.

"We want the motoring public to know that efforts to improve security at Michigan's freeway rest areas are a high priority for the Michigan Department of Transportation," he said.

District Court

The following appeared before Judge Francis L. Walsh in 83rd District Court.

Robert Ralph Bryan 48, of East Jordan, demanded preliminary examination on charges of arranging an inflammable device to willfully set fire to a dwelling house. The 12 day period was not waived and a \$5,000 cash/surety bond was set.

Clayton Robert Bryan, 25, of East Jordan, demanded preliminary examination on a charge of arranging an inflammable device to willfully set fire to a dwelling house. The 12 day period was not waived and a \$2,000 cash/surety bond was set.

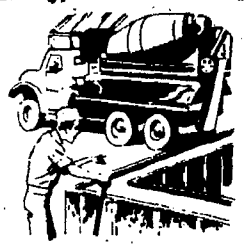

Pat Newell, 17, of Lewiston, demanded preliminary examination on a charge of breaking and entering an unoccupied dwelling and larceny over \$100. The 12 day period was waived and a \$5,000 cash/surety bond was set.

Edward Joseph Dunayzan, 18, of Lewiston, demanded preliminary examination on a charge of breaking and entering an unoccupied dwelling and larceny over \$100. The 12 day period was waived and a \$5,000 cash/surety bond was set.

Orman Kester Lee, 23, of Traverse City, demanded preliminary examination on charges of breaking and entering an occupied dwelling and larceny in a building. The 12 day period was not waived and a \$2,000 cash/surety bond was set.

Daniel Robert Bale, 21, of Grayling, pled guilty to a charge of assault and battery and was sentenced to 3 days in jail and \$105 or 10 added days in jail for the offense, which occurred on May 31, 1979.

To: All Natural Gas Customers of Michigan Consolidated Gas Company

NOTICE OF HEARING

The Michigan Public Service Commission (Commission) in its Opinion and Order dated July 17, 1979, in Case No. U-6178 initiated proceedings on rate design and other mechanisms to implement the incremental pricing provisions of the Natural Gas Policy Act of 1978. The initial hearing in these matters is scheduled to commence at 9:30 a.m. on August 20, 1979, in the offices of the Commission, Mercantile Building, 6545 Mercantile Way, Lansing, Michigan 48909. The hearing shall continue thereafter on such dates as the presiding officer may set until the matters have been fully heard.

Any interested parties may attend the hearing and participate, subject to the provisions of the Commission's Rules of Practice and Procedure. Any person seeking to intervene in accordance with Rule 11 of the Commission's Rules shall file with the Commission, at least 5 days prior to the initial hearing of August 20, 1979, an original and 6 copies of the petition to intervene, together with proof of service upon their serving gas utility.

The proceedings initiated by the Commission will focus upon the following issues:

(1) Any problems resulting from the implementation of incremental pricing, including but not limited to:

a. The effect of incremental pricing on the Purchased Gas Adjustment Clause.

chased Gas Adjustment Clause.

- Potential administrative problems resulting from incremental pricing.
- Potential expense or revenue impacts resulting from incremental pricing.
- The appropriate accounting or ratemaking treatment of any costs or revenues resulting from the implementation of incremental pricing.

(2) Any rate designs or other mechanisms for achieving the objectives of incremental pricing while simultaneously maximizing the benefit to ratepayers and minimizing any adverse impacts.

The Commission has directed its Staff to examine these issues and file evidence on or before August 3, 1979. The Commission has requested that gas utilities and other interested parties analyze these issues and file evidence after the conclusion of the cross-examination of the Staff's evidence.

Jurisdiction is pursuant to 1909 PA 300, as amended, MCLA 462.2 et seq.; 1919 PA 419, as amended, MCLA 460.51 et seq.; 1939 PA 3, as amended, MCLA 460.1 et seq.; 1969 PA 306, as amended, MCLA 24.201 et seq.; and the Commission's Rules of Practice and Procedure, 1954 Administrative Code, 1968 Annual Supplement, R 460.11 et seq.

Glen's Save-Share Really Works!!

Agnes Nelson is shown here with a SAVE-SHARE CHECK in the amount of \$170.46 for the AuSagra Acres Senior Citizen's group. Another typical example of Glen's generous SAVE-SHARE program.

What is Save-Share?

All a group has to do is register with the Store Manager or Asst. Manager and begin saving the green register tapes. Glen's will pay 1% of the total qualified amount of all tapes brought in to any registered group; and not just once but each time a group brings in \$25.00 worth of slips or more. Glen's wants everyone in Grayling to know about Save-Share and hopes more groups will use it to raise funds.

Checks are now ready for pick-up at Glen's for the following organizations:

Weaver-Hallett Speak Vows

Myra Weaver and Scott Hallett were united in marriage on Saturday July 21, 1979 in Camp Grayling Chapel. The 2 p.m. ceremony was officiated by Dohn E. Weaver, uncle of the bride.

The couples' parents are Mr. and Mrs. Marlin Weaver of McIntyre Landing, and Mr. and Mrs. Marvin Hallett of Roberts Rd.

The bride was given in marriage by her father. The music was performed by June Feldhauser. "The Lord's Prayer" was a selection used.

The bride wore a white satin gown with a chiffon overlay, it had seed pearls and lace trim. The gown was fashioned and designed by the Bride's mother. She carried a bouquet of daisies, yellow sweetheart roses, baby's breath and yellow button mums.

The Maid of Honor was Peggy Rettenmaier, of Grayling. The bridesmaids were Mindy Pindell, of Grayling and Kelly Bailey, niece of the bride, of Bridgeman, Mi. The attendants wore matching peach colored gowns of tiered Qiana. They carried matching bouquets of daisies, yellow roses and baby's breath with lace trim.

The best man was Rick Hallett, brother of the groom from Toledo, Ohio. Groomsman were Chris Ostrander, USAF Chanute AFB, Ill. and Rusty Weaver, brother of the bride. They all wore mint green tuxedos.

The bride's mother wore a turquoise gown and a corsage of yellow button mums, daisies and miniature carnations. The groom's mother wore an ivory gown with a paisley border print and a corsage of yellow button mums, yellow miniature carnations and daisies.

Decorations for the wedding were daisies, ferns and wild flowers-yellow, green and white color themes displayed by the bride's grandparents.

A reception followed the wedding at the Officers Club, at Camp Grayling for 200 guests. The four tiered wedding cake was baked by Cappy Westervelt and designed and decorated by Marie Westervelt.

Out of town guests were from Ionia, Adrian, Toledo, Ohio, Grand Rapids, Wauseon, Ohio, Sylvania, Ohio, Fairbanks, Alaska; Gainesville, Florida; Midland, Bridgeman, Buchanan, Roscommon, Ludington, Lyons, Ohio; Eagle, Panama City, Panama; Angola, Ind.; Indianapolis, Ind.

The couple left on a week's trip to the upper peninsula and the Wisconsin Dells, Wisconsin.

The bride is a graduate of

Crawford-AuSable Schools class of 1979, and graduated as an honor student. She is now employed at Yogi Bear's Jellystone Campground as manager. The groom is a graduate of Grayling High School class of 1979 and is now an Auto parts manager for a store in Mio. The couple will make their home on Portage Ave. at Lake Margrethe. of predetermined learner outcomes at various grade levels, he commented.

Diedrich said that a learner outcome is what the student should be able to achieve at any given point in a series of lessons. He noted that the teacher can then easily identify the student that is having trouble and provide additional help.

The learner outcome process will be completed this year in reading as well as mathematics which was also initially begun last year.

"We really believe as a school system, that before kids can do anything in life, they must have a strong foundation in basic skills," Diedrich said. "We are doing an adequate job now; we want to do a better job for our kids in the future," he commented.

One of the major accomplishments last year, according to Diedrich, was a survey of the community about how they perceive the school. From that survey the board and administration were clearly shown that communication with the community was a major necessity, he commented. The improvement of the communications process will be another major step in school objectives next year.

Diedrich said that other objectives are to improve student attendance for chronic absentees, develop an evaluation system, more aggressively move into the area of career education and continue to build into the system, cost effective programs.

The absenteeism in the schools may be a symptom

of some other problem, Diedrich said. A closer relationship with other community agencies will help pinpoint the background reasons for the absences, he commented.

The state testing that has been conducted in the schools is not designed to adequately reflect local student accomplishments and needs, Diedrich said. In developing our own evaluation system, teachers can more accurately report to the parents on how the child is doing, he remarked.

In the Career Education field, the intent is to let the kids move out the doors of the school with a better idea of what they plan to do with their lives, Diedrich said. The young people in high school will be given more information about jobs in which they are interested, he noted.

Overall will be a concentration on the cost effectiveness of each program, Diedrich said. "We intend to take each specific objective and look at them in terms of what it costs to achieve them," he noted. "Of course we cannot ignore critical objectives no matter what they cost," he said. The critical objectives will be approached on the basis of whether the same effectiveness can be achieved at reduced costs, he commented.

"It takes a long range plan to build-in all of the program plans and that requires a solid budget base," Diedrich said. Year to year budgeting takes away the ability to plan ahead and reduces the opportunity to save the taxpayers money through investing funds, he concluded.

City Council Meet Monday

by Jeanne Lange

In a regular meeting of the City Council they adopted to keep Anne Buron on their Blue Cross insurance policy, under the city group. This will be available to all city employees when they retire providing they pay the premium a month in advance.

The council adopted to split the cost 60/40 for the sidewalk replacement in front of 508 Chestnut, at the LaGrow residence. The city will pay \$192 and the property owner will pick up the remaining cost of \$288.

The State Boundary Commission will hold a public hearing, at 1:30 p.m. August 10, in the basement of the courthouse. The purpose of the hearing is the annexation petition concerning the land 79-AR-8 which is the 40 acre Gierke property and 79-AR-9 the industrial park expansion.

The council also:

- Approved the sale of surplus city equipment.
- Discussed the proposed land exchange with the DNR but didn't come to a decision. The DNR reduced the acreage from 30 acres to 25 and increased their price by \$5000.

- Received a safety award from the Michigan Pollution Control Association for the city's water safety.

- Received the SSES Report which discussed the possible ways to expand sewage treatment. Ways mentioned in the report were spray irrigation, expanding the current system and the slotted pipe system.

Jerry Morford, City Manager informed the board about the punch card system of voting. The city would need new machines for this and is looking into the possibility of sharing the cost with the county and school district.

To Whom it may concern:

I am one of the mother's from a major league team. Our team is the Milltown Realty.

We had a great bunch of kids on this team, some of them have played together since the minor league.

These kids have played hard all season and with the best sportsmanship, that a person could ask for.

They won only 2 games this year, but they sure tried and that's what counts.

I always thought that an All-Star team should consist of players from each team, not 4 teams out of 6.

Between Milltown Realty and Legion there were none from either of these teams at all.

It hardly seems right, the way the all-star team was done, especially seeing that for 6 of these kids, this is the last year that they can play in this league as they are 12 years of age.

These kids at the same time have had to play with 8 kids, because the rest were on vacation, and this left them quite short for a lot of games. Who knows what place we may have had if we'd had enough players. One short in the outfield makes a lot of difference.

Again I say—you did a good job—one that you can be proud of.

Best of Luck Next Year

Educational Workshop Held Here

The State Board of Education announced recently that it was holding eight workshops throughout Michigan for law enforcement agencies that have adult school crossing guard responsibilities. A workshop was held here in Grayling on Wednesday, August 1st.

The State Board said it has received a grant from the Michigan Office of Highway Safety Planning to purchase and distribute new hand-held stop signs and adult guard vests that comply with new guidelines prescribed in the Michigan Manual of Uniform Traffic Control Devices.

The new signs and vests will be distributed at the workshops which are being held to instruct police officers on ways to conduct studies to determine where adult crossing guards are needed.

Grayling's workshop was scheduled from 9:30 a.m. to 11:30 a.m. at the Grayling Motor Lodge.

Editor's Mailbox

To The Editor,
Hooray for Congressman Bob Davis. Grayling township Supervisor, Bernard Fowler and others who stood up against the "Wild & Scenic Rivers Proposal" by the Federal Government, (U.S. Forest Service). As some speakers put it, "no more regulation or government intervention is necessary" and as Fowler said "the Government is moving to take away the rights of the people"!!

My only thought after hearing this is what has been happening to us for a long time. It isn't only the Federal or State Governments taking away our "rights" and the use of our lands, it is also the local beauracrats. They have all done their share of enslaving us and depriving us of our constitutional rights!! Think about it! Ever time a board meets and a new group appointed to "oversee" or "plan" for our future, our freedoms

are threatened a little more. These boards, commissioners, groups, whatever, make rules, regulations, which are treated as laws. Why don't we get a chance to vote on the freedom grabbing issues? And if the issues aren't that important—forget them! We are the ones that have to pay, first for the meetings then the rules, then the enforcement, etc. etc. These same big brother regulators, who leave the metropolitan areas to come here looking for a little more freedom and peace are the ones that get on these boards etc, to give us the same rules and regulations that they were trying to escape.

We get mad at the Federal and State Government Beauracrats for their oppression and dictatorship over our lives and then they promise to give us some big deal grant, welfare, or something, and we like fools, take it! When will we realize that they can't give away anything, unless they steal it from someone thru overbearing unjust taxes. Hey, why get upset with the Federal and State when we accept without question the wisdom (?) of the local beauracrats to steal our rights, freedoms, and the use of our lands.

Grayling All-Stars Split Double Header

LITTLE LEAGUERS FROM THREE RIVER—Shown here is the All-Star team from Three Rivers. Bottom row (left to right) Scott Cook, Dave Kutz, Scott Muffley, Randy Rudd, Scott Kule, Brian Milnamow, Jon Roberts and Mike Keatte. Top row Jon Altimur, Mike Muffley, Sean DeMott, Charlie Beard, Bob Meyers, Jamie Curtis, Woody Thompson and Marty Reick. (Jeanne Lange Photo)

The Grayling Little League All-Stars captured the first half of a double-header scrimmage 3-1, but dropped the second 10-5 to their counter-parts from Three Rivers, Michigan last Friday night.

In the first game, Barcie Cross, Keith Reynolds and Scott Collen combined their pitching efforts to strike out 13 batters, walking 3, allowing 1 run on 2 hits. Big sticks for Grayling include Jim Stewart with a single; Barcie Cross and Jeff Branch with doubles; and Henry Klann with a home run but was called out for failing to

touch 3rd base.

Charles Beard, Scott Karle and Dave Kutz pitched for Three Rivers, striking out 5 batters, walking 5, giving up 3 runs on 3 hits. The hitters for T.R. were Jon Roberts and Charles Beard, both with doubles.

In the second game, Grayling lost to T.R. 10-5. Pitching for Grayling were Jeff Branch, Steve Brooks, Riley McNamara, Scott Collen and Barcie Cross. Together they struck out 8 batters, walked 4, giving up 10 runs on 12 hits. Hits for Grayling came off the bats of Jon Nicholas, Keith Reynolds, Don Lange, Henry Klann, all with singles; Barcie Cross with a double; Bob Howe with a triple and Jeff Branch with a home run.

Pitching for Three Rivers was Marty Reick, Bob Meyer and Jamie Curtis, who fanned 11 batters, walked 5, giving up 5 runs on 7 hits. Big bats to T.R. were Randy Rudd, Marty Reick and Dave Kutz with

singles; Scott Karle with a pair of singles; Marty Reick, Jamie Curtis and Mike Muffley with doubles; and Sean DeMott, Jamie Curtis, Woody Thompson and Brian Milnamow with triples.

On Saturday, the Three Rivers team, along with several players from Grayling went canoeing down the AuSable River.

On August 10, the Grayling All-Stars will pay a return visit to Three Rivers and play a double-header scrimmage on Friday night. On Saturday, both teams will visit the Great America Amusement Park, near Chicago.

Anyone wishing to donate funds to the trip, may do so by mailing contributions to Mike Shearer, 610 Spruce St., Grayling.

Blind Marathon Runner Visiting Area

by Joe Schrader

About eight years ago, Joe Pardo considered himself one of the top marathon runners in the country, "but now there are so many runners I don't think I'm in the top 1000, and it's time for me to be a coach", he now says.

Those were recent sentiments expressed by 55-year old Joe Pardo, a blind Marathon runner from New York who will be visiting with members of his family at a reunion at his daughter's residence in Beaver Creek Township in mid-August.

Kathy Mobarak advised the Avalanche that her father plans to spend some time in this area after participating in marathons in both France and Holland.

Pardo laughs when someone suggests that obstacles bar his way. Believe that laughingly only. He's competed in the Boston

Marathon and the World Masters in Sweden, finishing in the latter event ahead of most of the field.

Now he has plans to develop a women's running team out of the Flushing YMCA in the Queens. He expects they will be marathon quality before long.

But first he says—"The first thing I require is a doctor's O.K. from each of the runners, then I will nurse them along until they get so good I can't keep up with them. I believe in conditioning and endurance."

Joe Pardo will be here soon and we'll have more on him in the Avalanche when he arrives and "loosens up." Between now and then the Flushing YMCA women's running program will be his baby, but when he arrives in the area he plans to work out at the Roscommon High School track field.

Bits O'Talk

Larry and Gloria Frymire are spending the summer at Lake Margrethe with her parents, Spike and Ruby McNeven. Also visiting for a few days was the Frymire's daughter, Janet and husband, Marty Gill. They were moving from San Francisco to St. Clair Shores, Mi.

Jerry and Shirley McEvers took a class at Seattle Pacific U. in Washington where they spent 12 days. They enjoyed a lot of sightseeing in the evening after classes and also spent one week in Portland, Ore. previous to going to Seattle.

The weekend of July 21, the Jerry McEvers and daughter, Ginger, attended the wedding of, John Neiderer's daughter, Sue, to Darryl Frye, both of Grant, Mi. Ginger was a member of the wedding party.

Kerry Cornell of Georgia, who is visiting her father, Doug Cornell, in Prudenville has been visiting her grandparents, Bruce and Corrine Smith, for a few days. Other guests at the Smith home last week from Sunday to Wednesday were her niece and family, John and Jill Molise and four children of Negaunee. Spending last weekend were their son and family, Terry and Janice Smith and two girls. They celebrated Janice's birthday on Saturday.

Earl and Loretta Whaley, Mark, Diana, and Keith enjoyed a vacation in the UP for a week. They visited Portage, Tahquamenon, took the boat trip at Pictured Rocks and visited Michigan Tech at Houghton and went on up to Copper Harbor. They had excellent weather while vacationing.

Strolling Around Town

by Fay Bovee

My usual stroll, of necessity, is up Chestnut to Michigan and my thanks go to Bob Winslow who has edged his sidewalk and that of some of his neighbors. My friend, Jerry Hayes, on Michigan Ave. also has edged his and found that he had a lot wider sidewalk. How nice it would be if everyone cleaned theirs. We walkers says "thanks". Also on Chestnut I found flowers at the Winslows, an attractive planter and flowers at the Harcourts, and some lovely blooms in Ruth Corwin's backyard. The Derek McEvers have planted marigolds and the planters at Sorensons contain colorful petunias and some roses.

The business loop is improving with the addition of wood chips along the curbs and petunias at Janssens plumbing and marigolds at Gusts Parts Place. Everyone should catch the catchy signs at Dan and Maggies, "Quaint, they is, quiet, they ain't!"

The Methodist Church on Michigan is colorful again this year, we imagine Tom Robertson did it again, and further up the street, we understand Jerry Hayes has put in hours on his new split rail (split arlock, that is) fence.

On the south side, please don't miss the Gildner yard, there's lots of TLC there and we're happy to see the remains of the burned out home on Madsen all cleaned up.

event along the many vantage points which included six portages throughout the all-night, non-stop, non-rest event, probably now being considered the "best of all of them".

The Corbin brothers, Claude, 34, and Serge, 22, embarked on the tortuous race with all the other teams before a crowd of some 2000 observers who watched from the banks of the AuSable in downtown Grayling.

In the amateur division race which preceded the professional event, Forest Haines and Jim Myers of Adrian, Mi. copped first place.

Despite the weather, the teams proved courageous in their trip downstream and were all honored at a special banquet on Saturday even though many of the finishers left early to go home "to rest."

State Accepts Bids on Area Highway Work

Bids were taken July 18th by the Michigan Department of Transportation in Lansing on major highway construction throughout the state. Among the bids were three that affect Crawford, Otsego and Roscommon counties.

In Crawford County, Construction of a three-span timber bridge and approaches to carry Steckert Road over the AuSable River, eight miles south and six miles east of Grayling; December, 1979. Lowest of five bidders, Red Cedar Construction Co.; Mason, \$99,258.

Construction of a two-span timber bridge and approaches to carry Batterson Road over the AuSable River, 1.5 miles south and one-half mile west of Frederic; December, 1979. Lowest of five bidders, Red Cedar Construction Co.,

Mason, \$88,587.

In Otsego County, Resurfacing on McCoy Road in Bagley Township from Old US-27, at Gaylord, east 1.9 miles; December, 1979. Lowest of three bidders, Lake Construction Co., Indian River, \$137,217.

In Roscommon County, Reconstruction and resurfacing, using recycled existing pavement, 3.8 miles on Markey Road in Markey Township from five miles north and two miles west of Prudenville, north; November, 1979. Lowest of six bidders, Central Paving Co., West Branch, \$317,679.

From the Superintendent...

William E. Diedrich
Supt. of Schools

"Why do the schools need a millage increase (instead of simply a renewal) when my property taxes increase each year as a result of reassessments?" This is a question I am often asked and one which must be addressed if residents of our district are to understand the financial plight of their schools.

Before this question can be answered, it must be understood that school systems derive their revenues from several sources. Among these are property taxes, state sources, federal funds and miscellaneous revenues. Within the Crawford AuSable School District, 80% of the projected revenues (from a millage renewal alone) for operating the schools would have come from property taxes. As a result of increased property values, the amount of money received by the schools from property taxes alone increased. However, part of the fiscal problem we are currently experiencing rests in the remaining 20% of revenues. Here, there has been a decrease in funding.

Through a complex formula for determining the major amount of state monies to be paid for operating the schools, factors including total value of taxable property in a school district, number of students enrolled and other variables are taken into consideration. The result is that in districts such as ours, state revenues decrease while local revenues increase. While this is not a dollar for dollar amount, the consequences for the district's operating budget are significant. This effect is compounded in years such as ours, state revenues decrease while local revenues increase. While this is not a dollar for dollar amount, the consequences for the district's operating budget are significant. This effect is compounded in years such as ours, state revenues decrease while local revenues increase.

There is no question that increased property values resulted in more local dollars for our schools. But when combined with losses in other revenue categories, this gain represented a total projected increase of only 4% over last year. During the same period, inflation along has risen considerably higher than this figure.

The district now faces a shortage of \$300,000.00 in revenues needed to meet projected 1979-80 school year operating expenses. Inflation and increased

costs of mandated programs account for a significant portion of this amount. When coupled with the use of all liquid reserves to avoid a millage rate increase last year and current projected revenue reductions in several categories other than property taxes, the four percent increase in school income which would have been realized from a millage renewal alone did not make up the deficit.

The Crawford AuSable School District, according to the most recent State Department of Education statistics, is ranked 493 out of 530 K-12 school systems in the state for per pupil instructional expenditures. In other words, when these data were compiled, 93% of the K-12 school systems in Michigan were spending more per pupil to instruct their children than our school system. Over the years, this relatively low position has forced us to make cuts in so many areas that it is now impossible to correct a projected \$300,000.00 deficit without deeply cutting into direct student services. Thus, it was necessary to request an operating millage increase of 3.25 mills and a renewal of 15.65 mills to overcome these difficulties.

TO THE CUSTOMERS OF MICHIGAN CONSOLIDATED GAS COMPANY

(Published by Direction of the
Michigan Public Service Commission)

NOTICE OF HEARING ON APPLICATION TO REVISE PURCHASED GAS ADJUSTMENT RULE 30

On May 18, 1979, Michigan Consolidated Gas Company (Consolidated) filed an application (with supporting testimony and exhibits) with the Michigan Public Service Commission (Commission) in Case No. U-6133, requesting approval of an amendment of Rule 30, Consolidated's Purchased Gas Adjustment Clause (PGA).

Rule 30, approved by Commission Order dated August 29, 1977, in Case No. U-5304, provides that when the current annualized weighted average cost of gas to the Company from all authorized sources is higher or lower than the base cost of gas—currently 143.93¢ per Mcf (14.65 psia) as determined in Case No. U-5365 (Order dated September 28, 1978)—the charge per Ccf or therm for gas service rendered will be correspondingly increased or decreased by the difference between the current computed cost and the base cost.

Section F of Rule 30, added by the Commission Order of September 28, 1978 in Case No. U-5365, requires Consolidated to file data, within 30 days after December 31 of each year, "sufficient to permit reconciliation of PGA performance during the prior 12 month period ending December 31." It also provides that "upon review of the reports and confirmation of the reconciliation results, if an overrecovery exists the Company shall file a refund proposal with the Commission for the equitable distribution of all overcollections to its customers."

Consolidated states that it obtains approximately 99% of its gas supply by purchases from interstate pipeline companies and producers of gas in Michigan and that the prices it pays for its gas supply are fully controlled by government.

Consolidated states that cost of gas is its largest single item of expense, representing almost 80% of its total annual operating expenses so that changes in cost of gas have an immediate and substantial impact on Consolidated's operating expenses and, therefore, on its net operating revenue and the return it earns on its property dedicated to the public use. Consolidated further states that changes in its cost of gas are frequent.

Consolidated states that Section F of its Rule 30 ensures that purchased gas adjustments will pass through no more than the increases in Consolidated's cost of gas, but there is no provision in Rule 30 to ensure that purchased gas adjustments will pass through no less than the increases in Consolidated's cost of gas.

Consolidated states that the reconciliation for 1978 under Section F of Rule 30 showed that Consolidated's purchased gas adjustment collected \$5 million less than the increases in its cost of gas. Consolidated estimates that the undercollection for 1979 will be approximately \$17 million.

Consolidated proposes Rule 30 be amended to authorize the Company to surcharge PGA undercollections to its customers, as well as require the Company to refund PGA overcollections to its customers as shown by annual reconciliations pursuant to Section F of Rule 30.

Specifically, Consolidated asks the Commission to amend Section F of Rule 30 by adding the following:

"If an underrecovery exists, the Company shall surcharge the underrecovery to its customers during the 12 month period beginning March 1 subsequent to December 31 of the calendar year for which the reconciliation is being performed. The per Mcf surcharge

shall be calculated by dividing the underrecovery by the level of PGA sales established in the Company's latest rate case. Any overrecovery or underrecovery related to the collection of the surcharge shall be netted against subsequent PGA overrecoveries or underrecoveries."

Consolidated estimates that under the proposed amendment of Rule 30, undercollections of \$5 million and \$17 million would result in surcharges of approximately 1¢ per Mcf and 4¢ per Mcf, respectively.

THE AMENDMENT TO ITS PURCHASED GAS ADJUSTMENT CLAUSE DESCRIBED IN THIS NOTICE HAS BEEN REQUESTED BY MICHIGAN CONSOLIDATED GAS COMPANY. THE MICHIGAN PUBLIC SERVICE COMMISSION MAY EITHER GRANT OR DENY THE REQUESTED AMENDMENT, IN WHOLE OR IN PART, OR MAY APPROVE A DIFFERENT AMENDMENT TO THAT CLAUSE.

NOTICE IS HEREBY GIVEN THAT:

A. A public hearing will be held at 9:30 a.m. on August 13, 1979 and continue, if necessary, on August 14 and 15, 1979 in the offices of the Commission, Mercantile Building, 6545 Mercantile Way, Lansing, Michigan, for the purpose of determining whether Consolidated's PGA Clause, Rule 30 should be amended as proposed. Any interested persons may attend the hearing and participate, subject to the provisions of the Commission's Rules of Practice and Procedure.

B. Any party seeking to intervene, in accordance with Rule 11 of the Rules of Practice and Procedure before the Commission, shall file with the Commission, on or before August 8, 1979, an original and 12 copies of a petition to intervene, together with proof of service upon Applicant.

Subparagraph (2) of said Rule 11 provides as follows:

"(2) A petition to intervene shall set out clearly and concisely the facts supporting the petitioner's alleged right or interest, the grounds of the proposed intervention, and the position of the petitioner in the proceeding, so as fully and completely to advise the parties and the Commission of the specific issues of fact or law to be raised or controverted." (Emphasis added)

The Commission will require strict compliance with the above-quoted rule.

C. Consolidated shall promptly serve upon each intervening party a copy of the written direct testimony of its proposed witnesses and its proposed exhibits as filed with the Commission. Proof of service shall be filed with the Commission on or before August 15, 1979.

D. Consolidated shall, at least 10 days prior to August 13, 1979, have available for inspection at each of its District offices in its gas service area a copy of its application, testimony and exhibit.

Jurisdiction in this matter is pursuant to 1909 PA 300, as amended, MCLA 462.2 et seq.; 1919 PA 419, as amended, MCLA 460.51 et seq.; Section 6a of 1939 PA 3, as amended, MCLA 460.6a; 1969 PA 306, as amended, MCLA 24.201 et seq.; and the Commission's Rules of Practice and Procedure, 1954 Administrative Code, 1968 Annual Supplement, R 460.11 et seq.

Summer Kid's Theatre Underway

It's going on now and if you're looking for a nite of delightful entertainment, plan to attend one or both of two plays presented this week by the Grayling Kid's Theatre Group.

"The Lion," "The Witch and The Wardrobe" was presented on July 31st and will be repeated again on Thursday, August 2nd. All shows begin at 8:15 p.m. at the Joseph Stripe Auditorium at Grayling High School and admission to both plays is only \$1.00.

The curtains will rise for the musical, "Jack & The Beanstalk" at the same time on Wednesday, August 1st and again on Friday, August 3rd.

The plays will be presented by groups of elementary and middle school students under the direction of Sue Prause and proceeds will be used to benefit and finance summer student recreational programs.

Alice Walls and Marilyn Reed were acknowledged as the most improved golfers in the Monday Night League on July 23, both taking off 19 strokes. The fun holes of 1, 4, 5, and 9, were won by Dodie Brady for low and Ruth McCarty for high. Low putts went to Rita Schlehuber and Dodie Brady with 13 each. Rita also chipped in on number 3 and Dodie on number 9. Tom Brogger, club manager, spoke to the group after dinner regarding the etiquette of golf, some standard rules of golf and gave them some general information on the game.

The women had an excellent potluck dinner and had a most enjoyable and interesting evening.

In Wednesday play for the Auxiliary on July 25, Corrine Smith took low with a 43 in Flight A, while Evelyn Kent and Jeanne Thompson had 51's in Flight B and Elsie Jansen and Phyllis Scher had lows of 54 in Flight C. Low nets went to Jeannette Kitchen and Gloria Nielson in with a 32 in A, Jeanne Thompson with a 31 in B, and Elsie Jansen with a 31 in C. Low putts in A were won by Liz Vajda with 14, in B by Evelyn Kent and Eunice Slusser with 14, and Phyllis Scher with 16 in Flight C.

Dorothy Phillips conducted the short business meeting and discussion on the tournament was presented by Shirley Bendig.

training here. Some of the training will be new. Some of it will be familiar. It is all needed to maintain these citizen-soldiers in a readiness posture.

There will be some gripping, but more laughter. Annual training is as much fun as it is work.

Major General Robert W. Teater, director of the Ohio Guard's State Area Command, is in charge of the annual training here.

And, the Guard members come from around the Buckeye State.

There are units involved in a wide variety of missions.

Camp Grayling, which has always been a favorite training site for Ohio units, will probably play an even bigger role in the future because of the nation's energy crisis and the need to conserve fuel.

The Ohio Guard diverted a few of its units from previously-assigned far flung training sites to places closer to Ohio this year.

Thus, the bulk of the units in 1979 went to training at Camp Perry, Ohio, Grayling, and Ft. Campbell, Ky.

The public loses again

RICHARD MILLIMAN

(Columnist's Note: Concerned, as we are and as the public should be, with the increasing erosion of the public's safeguards against secrecy in their governmental processes, we turn this week's Almanack space over to the following editorial offering, which appeared recently in Publisher's Auxiliary, published by the National Newspaper Association.)

Consider these, if you will:
"That in all public courts of justice for trials of causes, civil or criminal, any person or persons, inhabitants of the said Province, may freely come into, and attend the said courts, and hear and be present, that all or any such trials shall be there had or passed, that justice may not be done in a corner nor in any covert manner." Concessions and Agreements of West New Jersey (1687).

"It is desirable that the trial of causes should take place under the public eye, not because the controversies of one citizen with another are of public concern, but because it is of the highest moment that those who administer justice should always act under the sense of public responsibility, and that every citizen should be able to satisfy himself with his own eyes as to the mode in which a public duty is performed." Massachusetts Supreme Judicial Court, Cowley vs. Pulsifer (1884).

The chief advantage of permitting a privilege for publication of reports of judicial proceedings "is the security which publicity gives for the proper administration of justice".

Massachusetts Supreme Judicial Court, Cowley vs. Pulsifer (1884).

"Secret hearings—though they be scrupulously fair in reality—are suspect by nature. Public confidence cannot long be maintained where important judicial decisions are made behind closed doors and then announced in conclusive terms to the public, with the record supporting the court's decisions sealed from public

view." United States Supreme Court, United States vs. Cianfrani (1978).

"...Justice cannot survive behind walls of silence." United States Supreme Court, Sheppard vs. Maxwell (1966).

Publicity "guards against the miscarriage of justice by subjecting the police, prosecutors, and judicial processes to extensive public scrutiny and criticism." United States Supreme Court, Sheppard vs. Maxwell (1966).

Publicity "serves to guarantee the fairness of trials and to bring to bear the beneficial effects to public scrutiny upon the administration of justice." United States Supreme Court, Cox Broadcasting Corp. vs. Cohn (1975).

"The commission of crime, prosecutions resulting from it, and judicial proceedings arising from the prosecutions...are without question events of legitimate concern to the public." United States Supreme Court, Cox Broadcasting Corp. vs. Cohn (1975).

Publicity of judicial proceedings "has always been regarded as the handmaiden of effective judicial administration, especially in the criminal field." United States Supreme Court, Sheppard vs. Maxwell (1966).

"The public has the right to be informed as to what occurs in its courts." United States Supreme Court, Estes vs. Texas (1965).

"In all criminal prosecutions, the accused shall enjoy the right to a speedy and public trial." Sixth Amendment to the United States Constitution.

Now consider this:

The "guarantee of a public trial is for the benefit of the defendant alone...To safeguard the due process of rights of the accused, a trial judge has an affirmative constitutional duty to minimize the effects of prejudicial pretrial publicity, and he may take protective measures even when they are not strictly and inescapably necessary." United States Supreme Court, Gannett Co. vs. DePasquale (July 2, 1979).

The public loses again.

CARD OF THANKS

I would like to thank the Sheriff Dept. for their quick service, and the emergency room doctor and nurses for the good aide they gave to me. And thanks to a good friend Sharon for riding with me to Saginaw. A special thanks to my wonderful family and friends for their cards and flowers.

Champion Quartets Coming to Milltown Show Aug. 4

PERSONAL EXPRESSION—REIGNING CHAMPIONS—This champion quartet of the Pioneer District (Michigan and Ontario) had its beginning in 1975 at Ithaca High School. The next year the foursome joined the Gratiot County Chapter, SPEBSQSA, and last October won the district championship at Grand Rapids. In the rear is Jeff Rayburn, 20, lead. In front, left to right, are Mike Bowman, 22, tenor; Bill Hirschman, 18, bass; and Jerry MacLaren, 20, baritone.

Two champion quartets will be featured with Barbershop Chapter choruses at the Milltown Festival of Harmony and Mini-Chorus Contest Saturday, Aug. 4, at 8 p.m. in the Grayling High School auditorium.

They will be the Pioneer District Champions, Personal Expression, from Ithaca, and Black Velvet, a quartet from Grand Rapids that won the Bush League championship last May at Boyne City.

A part of the program will be a contest among area Barbershop Chapter choruses in competition for the festival's Poledog Trophy, a garrish cup mounted on a pedestal with the figure of a bulldog surmounted on a barber pole.

The trophy has been the temporary possession of the Blue Water Chorus at Port Huron, the Alpena Chapter Chorus and more recently the festival host chapter, the AuSable Valley Chapter, SPEBSQSA, at Grayling.

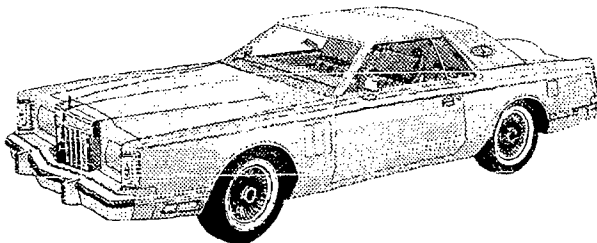

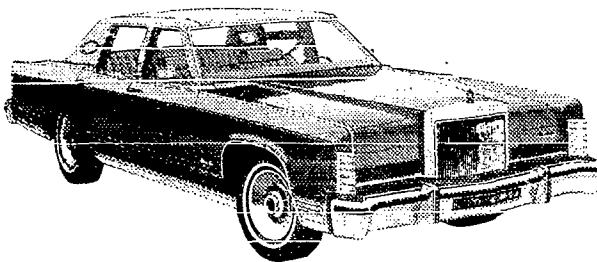

In past years, chapters from Alpena, Boyne City,

Cadillac, Grayling and Port Huron have entered the competition, each chorus singing two selections before judges accredited by the Barbershop Society's Pioneer District. The district consists of Michigan and Ontario.

After the program, an afterglow with buffet supper and informal show will be held at the new Eagles building in Grayling.

Tickets will be available at the door. Proceeds help the chapter meet its expenses for the entire year.

WHEN IT COMES TO GOING THE DISTANCE, LINCOLN CONTINENTAL AND MARK V ARE FULL OF SURPRISES.

LONG-RANGE CRUISING

For all you long-range thinkers, there's Lincoln Continental and Continental Mark V. Two luxury cars that offer you many long-range conveniences and a few surprises.

As you can see by this chart, Lincoln Continental and Continental Mark V offer you respectable estimated cruising ranges:

LINCOLN CONTINENTAL				
EPA EST. MPG	HWY. EST.	FUEL CAPACITY	EST. RANGE	HWY. EST. RANGE
12	17	24.2 Gal.	290*	411

CONTINENTAL MARK V				
EPA EST. MPG	HWY. EST.	FUEL CAPACITY	EST. RANGE	HWY. EST. RANGE
12	17	25 Gal.	300*	425

*Remember, use these numbers for comparison. Your mileage and range may differ depending on speed, trip length and weather. Actual highway mileage and range will probably be less than the highway and range estimate.

OUTSTANDING SELECTION

Right now is the most convenient time to buy a Lincoln Continental or Continental Mark V. The Detroit dealers listed below are making way for the 1980 models so you can choose from a wide variety of '79s available for immediate delivery. And with very surprising values.

4 Year Money Market Certificates

Now First Savings offers a new Money Market Savings Certificate with a maturity of four years that will have a rate ceiling of 1% below the average four year rate based on the yield curve for U.S. Treasury securities as determined each month by the Treasury Department. Minimum investment in this special four year money market certificate is \$5,000 at First Savings.

This is not a "floating rate certificate". New interest rates are established monthly, and after purchase, remain the same for the four year period.

Interest on these certificates will be compounded quarterly. There are no fees or charges. If you wish, First Savings will establish a "check-a-month" program for you under this certificate.

Any withdrawal made prior to maturity will incur a maximum of six months loss of earnings at the certificate rate.

Chairman For Bike-A-Thon Announced

Richard Adams has agreed to the chairmanship of the St. Jude Children's Research Hospital Bike-A-Thon in Grayling, to raise funds to support the hospital, according to Mr. William J. Kirwen, Director of Development at the internationally recognized hospital.

St. Jude Children's Research Hospital was founded by entertainer Danny Thomas. The institution opened its doors to the public in 1962 to combat catastrophic diseases which affect our children. St. Jude's is non-sectarian, non-discriminatory and completely free of charge to all patients.

At St. Jude's, scientists and physicians are working side by side seeking not only better means of treatment, but also the cause, cure, and prevention of these terrible killers.

All findings and information gained at St. Jude's are shared freely with doctors and hospitals the world over. Thanks to St. Jude Children's Research Hospital, children who have leukemia, Hodgkins disease, sickle cell anemia, and other child killing diseases now have a better chance to live.

The funds raised in the Bike-A-Thons this fall will assure the continuation of the life giving work at the hospital.

The concern which Mr. Adams has for the work being performed at St. Jude's is greatly appreciated, and the children hope that the citizens of Grayling will support the upcoming Bike-A-Thon wholeheartedly.

As he was paying his hotel bill, the salesman noticed he had misplaced his suitcase. With only a few minutes left before his plane was due to depart, he asked the bellboy to run to the room and see if the suitcase was there. "Yes sir," was the bellboy's reply upon his speedy return, your suitcase is in your room."

Twenty Five Year Record For Playhouse

A new box office record was set at the Cherry County Playhouse by actor and television celebrity Ted Knight, who is appearing in several stock theatres in the east and midwest in The Impossible Years, is the first actor to do 100% business in the twenty five year history of the Traverse City theatre. The previous record holder was Tom Smothers who did 98.7% of capacity in the 1975 production of Play It Again Sam. From the Cherry County Playhouse Mr. Knight goes on to Playhouse in the Park in Philadelphia and the North Shore Music Theatre in Beverly, Mass.

Kobe-LaMotte Exchange Vows

Lynn Kobe and Duane LaMotte were united in marriage July 21, 1979 at Mt. Hope Lutheran Church. Rev. Paul Weber officiated the 6 p.m. Ceremony.

The couples parents are Mr. and Mrs. Steve Kobe of Owosso and Mr. and Mrs. Clarence "Curly" LaMotte of Grayling. The bride was given in marriage by her father.

Maid of honor was Sue Stenson of Owosso, she wore a yellow pleated dress and carried a silk flower arrangement. Bridesmaids were Donna Kindred of Owosso and Karen Tubbs, they were also attired in yellow pleated dresses.

The bridegroom's attendants were Gary Calkins of Rose City, Larry LaMotte and Bob Mitchell.

The mother of the bride wore a mint green knit dress. The groom's mother was attired in a pink dress. There was a reception following the ceremony for approximately 200 guests.

Out of town guests were from Tucson, Arizona, Owosso, Flint, Benton Harbor, Rochester and Rose City.

The bride is a graduate of Owosso High School and the groom is a graduate of Grayling High School. The couple will make their home at Timber Ridge. (Carrol Wert Photo)

Hard Cider
Hard apple cider is a cider which has begun to ferment or completed fermentation. When fermentation is completed, all the sugar has turned to alcohol and it's no longer effervescent.

She looks like a seaworthy little craft and soon Tim and his father will put her to the test. They will discover whether she is properly balanced, whether her sails are straight, whether she will take to the water proudly, or flounder and capsize.

A boat has to be right, and she has to be ready. So do we, as individuals. We need good guidelines, a right sense of direction, and the church of our choice can help us toward finding both.

The Church, remember, has been "ready" for a long, long time.

Red Cross Reaches Blood Goal

Officials at the American Red Cross Flint Regional Blood Center today announced success in achieving its year-end blood collection goal. According to William G. Eargle, Blood Services Administrator for the Flint Red Cross Blood Region, 52,093 units of blood were collected for fiscal year 1978-79. A goal of 52,000 units for the year was established as the amount of blood needed to successfully supply the 37 hospitals within the region.

"For the same period last year," Eargle said, "the Red Cross collected 49,668 units of blood which gives us an increase this year of 2,425 units or nearly 5% for the entire fiscal year."

The Flint Red Cross Blood Region consists of 26 counties in Northern Michigan including the thumb area and two counties in the upper peninsula. A total of 816 separate bloodmobile operations took place in the region, including 113 blood programs at the Flint Center, and 90 at the Petoskey sub-station.

Seven Counties achieved

one hundred per cent or better of their collection goals for the year. These are Emmet, Genesee-Lapeer, Grand Traverse, Benzie, Chippewa, Cheboygan, and Mackinac Counties. "These counties should be given special recognition for their efforts," Eargle said, "The Red Cross volunteers made a concerted effort to recruit blood donors throughout the entire year."

Emmet County collected the highest number of units over goal in the entire region, collecting 1691 units to achieve over 154% of their goal. Genesee-Lapeer Counties collected 30,970 units for the year to achieve nearly 112% of their goal. Grand Traverse County collected 2,607 to reach over 109% of their annual goal. Benzie County collected 542 units to make over 104% of their goal. Chippewa County collected 1501 units and Cheboygan County collected 1,033 units to achieve 102% of their goals. Mackinac County collected 596 units to reach just over 100% of their annual goal.

In addition, Eargle reported that Roscommon County achieved the highest increase of blood collected over the previous year. In fiscal year 1977-78, Roscommon residents gave 341 units. Last fiscal year, they gave 672 units—97% more blood than collected the previous year.

Several counties throughout the region also reached significant levels by increasing the number of units collected over the previous fiscal year. Cheboygan County increased their collections by 38.1%, Emmet 17.5%, Gladwin 19.7%, Grand Traverse 43.9%, Mackinac 58.9%, Ogemaw 22.5% and Sanilac 26.5%.

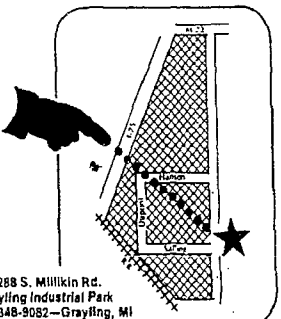

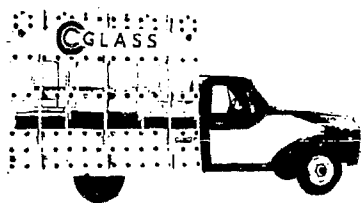

The combined blood programs of Genesee and Lapeer Counties, where industrial and school blood programs supplied 59.4% of the region's needs, produced 30,970 units of blood.
